

## **Tell us what you think about giving to the church and to charity...**

As part of planning for a new stewardship initiative for All Saints' in the autumn, we'd be really interested to find out what you think and feel about giving. Do you lack information about what happens to the money you give? How well is it managed and controlled and how are decisions made? How easy are the arrangements for regular giving in this church? How could they be improved? Do you give to other charities as well? How important is your giving and what motivates you to give?

Would you come to one of the focus groups we are planning during July and give us your views? This is NOT a covert way of signing you up to any new giving initiative! It is entirely about gathering your views about the whole question of giving. The results will help us shape the stewardship initiative in the autumn – addressing the concerns you may have and building on the understanding we can gain.

**Please complete the form on the other side; either leave it at the back of the church or email your preferences to me [d.quarmby@btinternet.com](mailto:d.quarmby@btinternet.com) or call 020 8858 7371.**
